

9th International Conference on Structural Health Monitoring of Intelligent Infrastructure

TRANSFERRING RESEARCH INTO PRACTICE

AUGUST 4-7, 2019 | St. Louis, Missouri USA

Sponsorship and Exhibition Opportunities

Don't miss this unique opportunity to partner with the 9th International Conference on Structural Health Monitoring of Intelligent Infrastructure (SHMII-9). SHMII-9 is the first event of this series to be held in the USA. It has received unprecedented support from major professional societies such as the American Concrete Institute and the International Association for Bridge Maintenance and Safety. Sponsoring or exhibiting at SHMII-9 will provide an excellent opportunity to promote your organization, support your brand(s) and demonstrate your leadership within the industry prior to, during and after the event.

Sponsorship Package Invitations

Health monitoring of civil engineering structures (bridges, buildings, dams, pavements, pipelines, power plants, tunnels and water distribution systems) and reliability assessment of the design of structural systems have both received increasing attention worldwide. Due to technological advances in sensing,

visualization and data analytics, and new project delivery mechanisms such as accelerated bridge construction and public-private partnerships, practical applications of structural health monitoring (SHM) have been growing rapidly.

The SHMII-9 Conference will provide a forum for exchange of ideas, knowledge sharing, and matching technology to need in the global SHM community. It will serve as a unique venue to showcase the technologies and achievements in transportation infrastructure, demonstrate the practical value of SHM research, and raise public awareness on the need for further SHM research and applications.

SHMII-9 represents the 9th official event in this biennial conference series of the International Society for Structural Health Monitoring of Intelligent Infrastructure (ISHMII).

The benefits associated with each level of sponsorship are summarized in this document. If you are interested in one of the sponsorship levels, please contact the conference coordinators at shmii-9@mst.edu or call (573) 341-6222.

PLATINUM SPONSOR \$10,000 (USD)

The Platinum Sponsors will be acknowledged on all promotional materials and will be positioned at the highest possible level.

Naming Rights

- Platinum Sponsors to be recognized as the naming rights' sponsor of key sessions at the conference.
- Logo to appear on the holding slide in those sponsored sessions.
- Opportunity to provide one, free-standing banner to be displayed at the chosen sessions allowing for direct exposure to the SHMII-9 delegates.*

Advertising and Promotional Material

- Prominent logo display, company profile and link to company's corporate home page on SHMII-9 website (landing page and Partner's page).
- Platinum Sponsor logo, linked to company's corporate home page, will appear on all SHMII-9 promotional email campaigns.
- The Platinum Sponsors receive a complimentary, full-page, full-color advertisement in the conference printed program (artwork to be supplied by May 1, 2019).*

Trade Exhibition

Prominently-positioned exhibition booth for the duration of the conference. This includes a complimentary 6' x 8' exhibition space, table, two chairs, lighting and power.

Conference Merchandise

Platinum Sponsors have the opportunity to provide two promotional items (e.g. brochure, up to four pages, and/or small corporate gift) to be included in the conference materials.

Complimentary Registrations

Two complimentary conference registrations, including attendance to plenary and breakout sessions, poster session, breaks, banquet, conference exhibition and two free memberships to ISHMII for one year.

Attendee List

Provided with a hard copy of the Attendee List.

GOLD SPONSOR \$5,000 (USD)
