Title of Paper: _____

Paper ID Number: _____

Author Contact Information:

Name: _____

Email: _____

Author(s): Names and e-mail addresses of all authors (Ex: Joe A. Miner, joeminer@mst.edu;) _____

This signed statement must be returned to the 9th SHMII conference organizing committee during submission of the final paper. The intent of this Agreement is to protect the interests of both the University and the authors, and to specify reasonable rights for both parties related to publication and reuse of the material.

The undersigned hereby assign(s) to the International Society for Structural Health Monitoring of Intelligent Infrastructure (ISHMII) copyright ownership in the above referenced Paper, effective if and when the Paper is accepted for publication by the 9th SHMII conference organizing committee and to the extent transferable under applicable law.

This assignment gives ISHMII sole and exclusive right to publish throughout the world, in any and all forms, including but not limited to, printed, mechanical, digital, or other electronic formats now or hereafter known, the Paper. Selected extended manuscripts will be published as part of a special edition of The Journal of Civil Structural Health Monitoring. Notice to authors: as organizers of the 9th SHMII conference, Missouri University of Science and Technology is given the right to assemble and produce a printed volume as part of the conference proceedings and distribute it to conference attendees.

**TRANSFER OF COPYRIGHT
TO THE INTERNATIONAL SOCIETY FOR
STRUCTURAL HEALTH MONITORING OF INTELLIGENT INFRASTRUCTURE**

Authors, or their employers in the case of works made for hire, retain the following rights:

1. All proprietary rights other than copyright, including patent rights.
2. The right to make and distribute copies of the Paper for internal purposes.
3. The right to use the material for lecture or classroom purposes.
4. The right to prepare derivative publications based on the Paper, including books or book chapters, journal papers, and magazine articles, provided that publication of a derivative work occurs subsequent to the official date of publication by ISHMII.

By signing this Agreement, the author(s) warrant that:

1. The Paper is original and has not previously been published elsewhere.
2. This work does not infringe on any copyright or other rights in any other work.
3. All necessary reproduction permissions, licenses, and clearances have been obtained.
4. The authors own the copyright in the Paper, are authorized to transfer it, and have full power to enter into this Agreement with ISHMII.

WHO SHOULD SIGN.

This form must be signed by (1) author and (2) the author's employer if the Paper was prepared within the scope of the author's employment or was commissioned by the employer.

U.S. GOVERNMENT EMPLOYEES: Work prepared by U.S. Government employees in their official capacities is not subject to copyright in the United States. Such authors must place their work in the public domain, meaning that it can be freely copied, republished, or redistributed. In order for the work to be placed in the public domain, ALL AUTHORS must be official U.S. Government employees. If at least one author is not a U.S. Government employee, copyright must be transferred to the ISHMII by that author. If the Paper falls within this category, select this box and return the form unsigned. ____

I, the corresponding author, acting with consent of all authors listed on the manuscript, hereby transfer copyright or claim exemption to transfer copyright of the work as indicated above to the International Society for Structural Health Monitoring of Intelligent Infrastructure.
